This cupcake is just one of several desserts that rotate as part of the sliding presentation in the masthead

## legendary cakes

These scrumptious cakes are baked using only the finest quality ingredients, including Madagascar and Mexican vanilla, European butter (to ensure rich flavor and smooth texture), imported chocolate, and fresh fruits and nuts.

### Red Velvet Cake

Cost: \$40.00  
 Description: Fabulously moist, red cake lightly flavored with cocowa. Finished with your choice of dreamy vanilla buttercream icing or luxurious cream cheese frosting!
